## Newsletter No. 4

### September 2006

Hi Everybody

Time has marched on and it appears to accelerate as we age, and the memory starts doing funny things. To many, a school reunion is an important event in their life, where the memory recall kicks in, usually full of smiles and laughter.

The reunion committee is now getting the items for the 50th ready to be set in concrete.

All we need is your full registration!! Like life, what we all need is certainty and the committee is no different. The site is set, the plans have been approved, and the boxing in place, the concrete ordered, all we need to know is how much to pour.

What is required is your registration to be sent in prior to the 31st October 2006; unfortunately thereafter a late fee will have to be charged.

We have had a great response to the registrations of interest, so folks, the full registration form is available on the school web site [www.rosebankschool.co.nz](http://www.rosebankschool.co.nz) - Post it in now, as we the committee, need the certainty of numbers.

As many people change addresses during their life, we are reliant that news of the 50th Jubilee is spread by word of mouth. Please contact your old school friends and pass this on, as many of the envelopes we have sent out have been returned with 'no forwarding address'. It would be sad if some miss out because they didn't know that this event is being held.

As with the last newsletter, my request for memories to be sent in so they can be compiled for the School History Book is still current. Please take time, if you feel that you have a story to tell, and sent it in, along with your full registration.

If you have a computer, include your email address on your full registration form, as this is a very efficient method of contact for us.

Fin White  
Jubilee Committee Convenor
